# DAILY DEVOTION

I greet you in Jesus' precious name! This is your friend, Angus Buchan, with a thought for today.

We begin in Genesis 4:9, where the Lord asks Cain, "Where is Abel your brother?" Cain, who had murdered Abel, responds, "Am I my brother's keeper?" - the first recorded lie. In verse 12, God declares, "A fugitive and a vagabond you shall be on the earth."

In John 8:44, the Bible states, "The devil is the father of lies." Cain's deceit condemned him to a life of wandering, hiding from the truth. Lies never bring peace - they create destruction.

One of history's greatest examples of deception was President Richard Nixon and the Watergate scandal. One lie led to another, and eventually, he became the first U.S. president to resign. His downfall was not the act itself, but the cover-up - the lies that caught up with him.

My dear friend, the Lord is calling us to speak the truth at all costs. Lies will always find you out, but truth brings freedom.

Choose honesty today, and walk as a child of God, in His light and righteousness.

Jesus bless you! Have a wonderful day!  
Goodbye.
